Shaker Heights High School, Shaker Heights, Ohio

March 8, 1963

A Cappella Competes in LEL Song Festival

Shaw High Has Choir Festival

Shaw High School will be host to the annual Lake Erie League Choir Festival on Friday, March 15. It will be open to the public at 8 p.m. The high schools participating in the festival are: Shaw, Lakewood, Cleveland Heights, Parma, Shaker, Valley Forge, Euclid, and Brush.

Since Valley Forge and Brush have only recently become members of the Lake Erie League, this is the first time that they will participate in the event. The festival has no special theme, but will include a variety of musical pieces.

Each choir will be allowed to perform alone for eight minutes, or approximately three numbers. Our A Cappella Choir will sing three religious songs, "May the Words of My Mouth" by Bloch, "Salvation Is Created," and "There Shall a Star Come Out of Jacob" by Mendelssohn.

When the schools have completed their individual performances, all the choirs will sing four numbers together. The selections include "Ain't That Good News," a Negro spiritual

The one hundred and one voices of the A Cappella Choir cease harmonizing long enough to pose with their leader, Reynold Ellis, and their pianist, Scott Fields, as they prepare to set out for the Lake Erie League Choir Festival at Shaw High School.

by William L. Dawson, "Nunc Dimittis and Gloria" by Gretchanoff, "O, Praise God in His Sanctuary" by Thomas Matthews, and "Now Sing We All This Day," a sixteenth century madrigal.

Choir Will Travel

Shaker's A Cappella Choir, under the direction of Reynold C. Ellis, will travel to Shaw at 2 p.m. on March 15. All the choral groups—600 voices—will join in the afternoon rehearsal and performance later that evening.

At 4.30 p.m. the rehearsal will end and social activities will be available for the students. At 8 p.m. the festival will commence in the Shaw field house.

Lunch Seminars to Feature Teennuts, Chinese History

"The noon hour seminar program sponsored by the Student Council of Shaker Heights High School came about as a result of a group of students who felt they wished to spend more of their lunch period leisure in some kind of worthwhile pursuit," wrote Martin Meshenberg, Student Council adviser, in reference to noontime seminars.

Four staff members indicated an interest in such an arrangement: N. C. Davis, Miss Agnes Knight, Martin W. Meshenberg, and Carroll Palmer.

Mr. Davis, who, due to illness, may not be able to continue with his program, had planned on teaching the "Prerestoration English Theater."

Miss Knight, whose seminar is "Classical Sources of Western

Culture," plans to meet in room 220 during fifth period on Tuesdays.

Mr. Meshenberg, teaching the "History of China and the Far East," will lead discussion fourth period in two different classes, one held on Tuesdays and one on Wednesdays.

"Adolescent Psychology" will be taught by Dr. Palmer during fifth period for 12 weeks.

Broadway Tunes, Dance To Spark Band Program

The Shaker Heights High School Band, under the direction of Francis E. Hammond, will provide an evening's entertainment including both a concert and a dance on Saturday, March 9, 1963, at 8:15 in the high school auditorium.

Selections from "Exodus," "Bye Bye Birdie," "Milk and Honey," and "Carnival," as well as more classical numbers will make up the concert program.

The dance, which directly follows the concert, will be held in the Social Room. It will feature the Sunliner Band of Ron Car-

ran, Andy Goodman, Jerry Keller, Mike Sands, and Howard Weiner.

The price of admission covering both the concert and the social is a 75-cent ticket which may be obtained from any band member or at the door.

Council Elections Draw Near; Students Register for Office

Each spring, the students at Shaker must seriously consider the qualifications of the students who offer themselves as candidates for the offices of the Student Council. This year twelve students have thrown their hats in the ring. The campaign is scheduled for March 27 and 28.

Students who wish to run for office must fulfill two requirements. Each student must have a 3.6 average and the recommendation of his class counselor.

The president acts as the head of the Student Council and also of the Executive Committee. Three junior boys have decided to run for president. They are: Jeff Chokel, Alan Farkas, and Joe Owens. Their campaign managers are, respectively, Bill Kahrl, Jim Horsburgh, and Jim Baumel.

The vice-president not only assists the president, but acts as the head of the Demerit Panel as well. Ed Kovachy, Bonnie Paull, and Tom Wuliger are the three candidates for the position. Their campaign managers are: DeeDee Burton, Jules Lodish, and Mary Gordon.

Six sophomore girls are competing for secretary. They are: Ileen Kurlander, Helen

Kronenberg, Abby Lodish, Annellen Minkin, Barbara Rosenberg, and Diane T. Rubin. Their campaign managers respectively, are: Diana Pilisdorf, Kathy Stone, Jerry Goetz, Jon Haber, Ken LaVetter, and JoAnna Comella.

Four Aspiring Artists Win Scholastic Awards

Four Shaker students won keys in the 1963 Regional Scholastic Art Exhibition at the Halle Bros. Company. Linda Bailey, Martha Hollitz, Ronnie Shensa, and Dolores Trenton received their awards on Monday, February 25.

Thirty-one other junior and senior high school pupils from Cuyahoga and five surrounding counties also won gold keys. The outstanding entries awarded keys are sent to New York City

to the national exhibition in May.

Scholarship Opportunities

Linda's and Dolores' entries, under the classifications of "Crafts" and "General Design" respectively, will compete for scholarships, cash, and purchase awards in the New York show.

The Scholastic Art Exhibition, initiated 36 years ago to encourage pupil achievement in creative art, is sponsored by the Scholastic Magazines. It provides students with the opportunity to compare their artwork with that of students from other schools. Their artistic ability is judged by a competent jury and their art is brought to the attention of the community.

A jury of qualified art teachers and artists select about 1,000 pieces for the local exhibition. This year in the Cleveland area contest there are over 4,000 entries from public, parochial, and private schools.

The exhibition is open to the public from Tuesday, February 26, through Saturday, March 2, in the Halle Bros. seventh-floor lounge.

Quartet Assembly A Shaker First

Another first in the history of Shaker Heights High School was accomplished on March 1, 1963. A program of classical music was superbly presented by the Symphonia Quartet. This was the first time this type of assembly was given at Shaker High.

The quartet, a part of the Cleveland Chamber Music Society, is led by Mr. Kurt Loebel, the first violinist. The other musicians are Mr. Elmer Setzer, the second violinist, Mr. Thomas Brennand, violinist, and Mr. Thomas Liverti, cellist.

Varied Program

The quartet presented a varied program consisting of selections from the works of Mozart, Haydn, Dvorak, Bartok, and Bloch.

The Student Council sponsored this assembly, which was partially paid for by the money designated for assemblies on the Activities Ticket. The Cleveland Chamber Music Society also made a monetary contribution to the cost of the assembly.

The Student Council is very interested in the students' reaction to this type of program. If the student body is receptive, they will recommend that a similar assembly be planned next year.

Nineteen juniors applied for the position of treasurer for next year. Those pictured above are, left to right, back row to front row: Peter Shaw, Stan Baiman, Andy Goodman, Laurie Weiss, Cindy Goulder; second row, Brooke Matthews, Susie Horowitz, Judy Gerson; third row, Barbara Bondar, Meredith Eiker, Alice Hecht; fourth row, Nancy Dolinsky, Beth Lazerick. Missing from the picture are John Hrones, Ken Johnson, Sunny Kochman, Eileen Kravitz, Barbara Pearlman, Jack Thalman.

I could excuse a man who was afraid of an up-lifted fist, but if one habitually manifests a fear at the utterance of a sincere thought, I must think that his life is a kind of nightmare continued into broad daylight.

Henry David Thoreau

Student Seminars

Already noted for scholastic achievement, Shaker has taken another, more important step in the field of learning: noon-time seminars. This unprecedented plan is aimed at the person who wishes to learn something just for the sake of learning it.

The seminars are taught by teachers volunteering to give instruction in a subject in which they are interested. The main purpose of the seminars is to provide an atmosphere of learning without the pressure of the classroom.

The most important element in the success of the seminar program is the interest of the students and teachers. In this element, the program is automatically selective, for no one is likely to spend all or part of his lunch period studying a subject in which he receives no credit, unless it interests him. The relaxed atmosphere of the seminar, which permits free discussion of ideas, is also conducive to interest and learning.

Only the amount of interest these students put into the program, and the amount of knowledge they receive from it can determine its success.

Theoretically, the program is a sound one. How sound it will be in practice is up to those who participate in it.

Nancy Herman, Denise Ptak, and Ann Cooper received a first rating in the Solo and Ensemble Contest for their flute trio.

Band Competes at Rocky River In Solo and Ensemble Contest

Members of the Band displayed their talents in the Greater Cleveland Instrumental Solo and Ensemble Contest held at Rocky River High School. Those in the senior high division competed for first and second ratings on February 16.

Under the solo classification those winning first ratings were: Denise Ptak with a flute solo, Peter Sinks with a snare drum solo, and Philbert Jones with a piano solo.

Winning second ratings were Robert Eckelson, trumpet, Philbert Jones, clarinet, Loren Selman, snare drum, and Glenn Taggart, tuba.

First Ratings

Those winning a first rating in ensembles were: Denise Ptak, Nancy Herman, and Ann Cooper,

playing a flute trio, Loren Selman, Howard Weiner, Keith Lacey, and Ken Johnson in percussion, and Kristina Nygaard and Gail Webb in miscellaneous strings.

Second ratings were awarded to David Berne, David Keller, Philbert Jones, William Kuhn, Robert Eckelson, Larry Sears, Robert Hengen, Jay Ankeney, Joe Goldstein, and Glenn Taggart in various divisions of the contest.

Schools Compete In Drama Festival

The Lake Erie League Speech and Drama Festival will be held at Shaker on Tuesday, March 19.

Any student from a school in the L.E.L. is eligible to enter this competitive program in any of the various events.

Many Divisions

The several divisions of the program into original oratory, dramatic declamation, humorous declamation, and one section of junior and one section of senior extemporaneous speaking are intended to leave a great deal of room for individual creativeness.

Each contestant will be judged on his speaking techniques, his dramatic skills, or his debating proficiency, depending upon the section of the program he has entered.

Debate Contest

The topic selected for debate is the advisability of a common market in the western hemisphere.

Each side will present its case and an impartial judge will declare the winners in accordance with the normal debate tournament rules.

Other features of the program include a panel discussion and a variety of one-act plays which the member schools have been preparing for several weeks.

Around the Town

Symphony, Paintings, Follies Spice Entertainment Scene

By Diane Diamond

The annual countdown has begun! Now there are only two more grading periods left in the school year. Why not celebrate this event by going "out on the town" this weekend?

With only twelve days till spring, the famous "Ice Follies" come to Cleveland on March 12. The box office is now open for reservations for this annual show which will be at the Arena.

Two excellent exhibitions are the Cleveland Museum's contributions during the month of

March. Under the auspices of the Traveling Exhibition Service of the Smithsonian Institute, a selection of drawings from one of the finest art collections in England will arrive, that of the Duke of Devonshire, Chatsworth House. It features drawings by Rembrandt, da Vinci, Raphael, Rubens and VanDyck.

French Paintings

Not to be missed is the "Barbizon Revisited" exhibition which includes works by Daubigny, Corot, and Millet. This grouping is representative of nineteenth-century French painting. Pieces were loaned to our museum from France, Scotland, Argentina, and Germany.

On stage, Clevelanders have quite a variety of plays from which to choose. Lerner & Loewe's musical "Camelot" starring Kathryn Grayson and William Squire is now at the Hanna. "Androcles and the Lion" is still running at Karamu.

Paddy Chayefsky's satire "Gideon," a comedy and parody about the Israeli hero of 1100 B.C., is entertaining audiences at the Playhouse. A comedy with a criminal touch, "Breath of Spring," is at the Drury.

The San Francisco Ballet Company will make one appearance in Cleveland on Sunday, March 17. Try spending St. Patrick's at the Music Hall for this entertaining afternoon.

Robert Shaw will conduct the Symphony Orchestra tomorrow night at Severance Hall. Assisting artist Theodore Letvin will be the guest pianist for Bach and Rachmaninoff selections. A Schubert symphony and Roger Sessions' "The Black Maskers" will complete the program.

Shaker A.P. Math Students Enter Statewide Contest

In mid-March, many Shaker students will take the 14th annual mathematics examination sponsored by the Mathematical Association of America and Society of Actuaries.

All seniors who take mathematics and all A.P. Math students are required to take the test which consists of forty problems for which eighty minutes of working time are allowed.

The highest possible score is 150. The students will be excused from classes in the morning to take the test from 9:00 to 10:30.

Last year, 170,000 students from all over the country participated in the test. The country is divided into the regions and Shaker scored sixth in its region in the last contest. Bill

Ginsberg, who had the highest score at Shaker, held the second highest score in his region and in Ohio.

Shaker also had the highest team score in Ohio. The team score is calculated from the sum of the top three students in a school. Bill's score was added to those of Hank Kronenberg and Mark Shensa who took second and third places at Shaker.

This will be only the sixth year in which Shaker has participated in the exam, but each year Shaker students have received statewide recognition.

Radio Wonders Face Faculty As Classic Game Approaches

Continuing a classic and celebrated tradition which began last year, Shaker's basketball-minded faculty will challenge the Radio One-ers, a team of WHK's more talented disc jockeys, on March 22 at 8:00 in the Boys' Gym.

Many Shaker veterans of 1962's contest, which resulted in a victory for Shaker, 54 to 53, such as Ed Stoch, Jim Snively, Earl Seidman, Coach Fred Heinlen, Charles "Scooter" Wall, Richard Oberdorfer, and Coach Nay Sanna will again rise to action.

Last year, at half-time, each of the disc jockeys paired with a cheerleader and twisted in the middle of the gym. This and other half-time surprises may entertain the anticipated full house.

For the most part, the reason

for this game is to provide students, faculty, and parents alike with good entertainment. However, another important factor is the use of the proceeds.

Because of the inclement football weather, the income from this sport was at a minimum. The proceeds from the Radio Wonders game will help to supplement the funds needed to finance spring sports.

In order to eliminate the seating problem which was evident last year, tickets will be available exclusively in advance for \$1.00.

Litterture

by Jim Lowe

The oldtimer, looking bent, weary, and dejected, hobbled painfully up to the bar.

"What's the trouble?" asked a kindly acquaintance. "You look bad."

"It's yoorz," moaned the old timer. "I have a bad case of yoorz."

"What's yoorz?" asked the puzzled friend.

"A double Scotch, thanks."

"It says here in the paper," observed the elderly gentleman, "that a man is run over in New York every half hour."

"Tsk, tsk," murmured the old lady. "Poor fellow."

Passerby (to motorist at side of road)—"Have a puncture?"

Motorist—"No, thanks, I just had one."

"Excuse me, sir, but have you seen a policeman anywhere about here?"

"I am sorry, but I have not seen a sign of one."

"All right, hurry up and give me your watch and wallet."

Humpty Dumpty sat on a wall.
Humpty Dumpty had a big fall.
All the king's horses and all the king's men
Had scrambled eggs.

Neither a borrower nor a lender be,
Or you'll catch it from HFC.

Here are some of the classics in the misplaced-modifier department:

Man shot in the ticket-office.

He kissed her passionately upon her reappearance.

He kissed her back.

Model U.N. Assembly Stifles Indifference

At a time when many members of the nefarious band known as "American teen-agers" can display only opprobrium in response to criticism of their group, Shakerites belonging to the Junior Council on World Affairs can participate in activities that disprove cries of "teen-age indifference."

The model United Nations, one of the JCOWA activities, will take place on Saturday, March 16. JCOWA members from all over Cleveland will meet at Lakewood High School where representatives to the conference will take part in a program based on the purposes and structure of the UN.

JCOWA Members

Participation in the conference is open to all Shaker students who belong to the JCOWA. Shaker students will represent Syria, Guinea, and the Central African Republic at the model UN session. Thirty delegates from Shaker will attend the conference, ten representing each country.

Representatives will meet in committees during the morning part of the conference, and will then take part in a general assembly meeting in the afternoon. The theme for the meetings will be UN financing.

Largest Club

The largest club at Shaker, the JCOWA has recently offered speakers such as Louis Lane, associate conductor of the Cleveland Orchestra, and Maurice Thompson, the head of Life magazine's Ohio staff. Future JCOWA speakers include a student who has traveled in Russia, the editor of one of Cleveland's newspapers, and a man involved in Common Market negotiations.

Elbio Scarone

"50 Miles" of Excellence Reduced to Smaller Steps

Much emphasis has been directed toward an excellence in academic performance, an excellence in the degree of physical fitness, and now we are going to walk 50 miles to become a member of the group.

Could it be that a few well-taken steps (much less time and effort than would be expended in walking 50 miles) might assist us in reaching a greater degree of excellence in citizenship?

Start off on the right foot by stepping forward, and looking up, out, and beyond so that others can see your eyes, and so that the "I's" can see others.

The second step could be for physical fitness. True, muscle fibers need toning and so do the moral fibers. If we work on both of these, then perhaps our Pledge of Allegiance to the flag might have greater dignity and meaning.

Sharp-Shooting

One of the steps in learning is accuracy. Let's become sharpshooters—practice aiming and step toward a waste basket. Avoid being a litter bug.

"Pardon this interruption, Shakerites—Attention all boys and girls and all others within hearing distance. Have you recently read your Handbook? Gum wrappers should not be among the litter. I repeat . . ."

Take your time taking the next step. Someone else was also trying to get through the same door way. Walk with care to the doorways, lest you have a heavy foot on the floor board as you leave the school parking area.

An extensive vocabulary is a sign of maturity and knowledge. The consistent use of three or four letter words to express

Uruguayan A.F.S. Student Tells of "River of Snails"

By Elbio Scarone

My idea on writing this article is to tell you some of the principal characteristics of my country, Uruguay. I am sure that you will like it better when you know more about it.

The name Uruguay comes from the old Native Indian language where it means "The river of painted birds" or perhaps "The river of snails."

Uruguay has a surface of

72,157 square miles (slightly larger than Missouri) and a population of over three million people.

Our inhabitants are an industrious, simple, and cultured people. We are a proud race, always ready to defend our prestige and sovereignty. Democratic institutions and Free Press have deep roots there. Being an educated people, our political opinions are founded on Social Justice. Extremist ideas never prosper there.

Religions are practiced with absolute freedom, and under the same freedom the people of Uruguay teach, learn, and trade.

The population is derived from immigrants coming mostly from Spain and Italy, but also from other parts of the world.

The main products of Uruguay are cattle and sheep, which are exported. Next on the list are the agricultural products (already processed) and some textiles.

Two-Party Politics

Uruguay became a Republic in July, 1830, after almost twenty years of war against the Spaniards. Since that moment, the Uruguayan history has been the history of two great and traditional parties that in different moments have been in power.

With the result of the elections of last November, the National Party (similar to your Republican Party) will occupy the Administration for the next four years.

Miss Lucille Burkett

feelings, gives the reverse impression.

Our inborn desire to be "ornery" or to do things just for "kicks" is recognized as a phase of growing up. The disrespect one has for authority takes many forms, i.e., the destruction of another's property.

On the final lap, step up and say, "I'll toe the line—help create an atmosphere of school friendliness and loyalty. And as you cross the finish line, be able to say 'I walk with pride through the halls of my school.'"

Editor's Note: This article was written by Miss Lucille Burkett, one of the members of Shaker's Physical Education Department. She is also the teacher sponsor of cheerleaders and sharcs.

Raiders Second in District Meet

Eight Swim Team Members Compete at State Today

Shaker's mermen, preparing for today's state meet in Columbus and led by their two relay teams, placed second in a field of ten in the Northeastern Ohio District Meet held Saturday, March 2, at Byron Junior High School. The meet, dominated by a powerful Heights team, saw eight district records and two state records topple.

The first event, the 200-yard medley relay, typified the contest as the Raider relay team of Jim Orr, Rennie Crane, Fred Weed, and Ken LaVetter turned in a good 1:49.0 clocking only to be outdone by a record-setting Heights team with a 1:46.7.

In the 200-yard freestyle, Kurt Kendis, swimming despite an attack of flu, finished seventh as Rich Schneider from Collinwood, racing as an independent, smashed the state record for the event with a time of 1:54.0.

Dave Herkner and Charles Brannon increased Shaker's point total in the next event as they finished second and sixth respectively in the 50-yard freestyle event. Bob Haas added to this with a fourth in the 200-yard individual medley, as did Fred Weed with a fifth in the

100-yard butterfly and Harry Greenfield with a third in the 100-yard freestyle.

In the 400-yard freestyle, Haas and Kendis placed fourth and fifth respectively as Schneider again bettered the district mark with a 4:17.4 clocking.

Closing the day for the Starkers was a victory in the last event, the 200-yard freestyle relay. Crane, Herkner, LaVetter, and Greenfield teamed up to swim the course in 1:34.5, breaking the former record set in 1961 by another Shaker team by 1.3 seconds. This victory gave the raiders fourteen points, and a second place finish.

The top five teams were as follows: (1) Cleveland Heights, 63 points; (2) Shaker Heights, 48 points; (3) Fairview Park, 41 points; (4) Lakewood, 40 points; and (5) Berea, with 30 points.

Harry Greenfield exhibits the drive and determination that has helped this year's young swimming team to share the Lake Erie League Crown and send good prospects to the State Meet.

Heinlenmen Finish Strong; Raiders Top Patriots, Arcs

The Shaker Red Raiders basketball team climaxed its most successful season in several years by defeating the Valley Forge Patriots, 67-55, on Friday, February 15, and by trouncing the Arcs of Brush High, 63-38, on the following Friday, February 22. The Raiders finished in fifth place in the L.E.L. with 6-8 league and 9-9 over-all records.

In their final home game of the season, the Heinlenmen played host to Valley Forge. The Raiders pulled ahead quickly and led by more than ten points throughout most of the first half. Scoring repeatedly on fast breaks and pressing all the way, Shaker ran up a 55-32 lead by the end of the third quarter.

Coach Heinlen removed the first string early in the fourth period, but the Raiders stayed ahead to win. Shaker's high scorers were Jim Inglis with 23 points and Bob Gross with 13 points.

Against Brush, Shaker started slowly and was able to run up a half-time lead of only 29-21. However, in the second half, the Raiders came to life, and pulled

farther ahead to lead 42-30 at the end of the third period.

In the final quarter, the dauntless Raiders held Brush to 8 points while scoring 21 themselves, and went on to win easily. Jerry Goetz was high point man for both teams with 19 points, and Bob Gross was close behind with 16.

Ippolito Sets Mark As J.V.'s End Year

Coach Ed Stoch and the JayVee cagers closed out the season on a sour note by suffering a 48-38 loss to host Brush on February 22. The defeat gives the Stochboys a 9-9 overall record and a 5-9 mark in the L.E.L.

Recently, before bowing to Brush, the sophomores trounced visiting Shaw, were downed by invading Euclid in overtime, edged Garfield away, and hosted Valley Forge who stole the victory, again in overtime.

Although their record is not impressive, a few minor miscues have spelled the difference between success and mediocrity all season long for the hoopsters. Six of the nine defeats were by ten points or less, and three of them came in overtime. Throughout the schedule Shaker was hampered by injuries and foul trouble.

Alan Ippolito, who paced the scoring attack against Brush with 11 tallies, sank more than 200 points this season to shatter the existing record of 197 markers set last year by Bob Gross. Jim Jones was the only other Raider to hit double figures, racking up 10 points for the evening.

Sportacus

As the 1962-63 winter sports season closes we can look back on the accomplishments of our Varsity and Junior Varsity teams with pride. Our wrestling, basketball, and swimming teams all performed admirably and demonstrated well-coached and good-spirited sportsmanship.

The Raider grapplers had their share of problems this season but managed to finish the year with a respectable 4-7 record. Juniors Stu Math, Gerry Spector, and Burt Weiss, and sophomore Don Loveman gained valuable experience and promise to be a solid core for next year's team.

Our basketball team finished the regular season with a 9-9 record before losing to tough Cathedral Latin in the Bedford Class AA tournament last Saturday night. The Raiders finished with a 6-8 L.E.L. record, its best in many years.
